

# NRF-LIPI Researcher Exchange Program 2021 (For dispatched researchers from Korea)

(18th, Jan 2021)

## 1. Program objective

- Provide opportunities of exchange and collating the latest research trend and information to improve global research competence
- Encourage researchers to build a global network to develop and discover a potential joint research project

## 2. Program Features

- Partner organisation : Indonesian Institute of Sciences(LIPI\*)
  - \* LIPI : Lembaga Ilmu Pengetahuan Indonesia
  - ※ Korean researchers may visit only the LIPI-affiliated research centre(Please refer to the attached list)
- Eligible field : All research fields
- Project type : Researcher exchange
- Funding details : Round-trip airfare(NRF), living expenses(NRF)
  - ※ An economy class ticket to the closest international airport from the visiting city
  - ※ Living expenses : 200,000 Korean won/day(Provided to the affiliated institution from NRF)
- Period of stay : Maximum 14 days
- Number to be selected : Dispatched 5 / Invited 5
  - ※ The mutual visit is NOT obligatory

## 3. Guidance

- The period of visit shall be between 1 Jun 2021 and 31 Dec 2021
  - ※ The period of visit may be changed due to an unexpected situation such as COVID-19
- Principal investigator(PI) must apply for the program as an individual and will be selected as an individual(Not as a group of researchers)
- LIPI is in charge of application and selection procedures for Indonesian applicants

#### 4. Eligibility & Restrictions to participation

- Eligibility : PI is required to be affiliated to a university or a research institute in Korea. The affiliated universities or research institutes should be under Article 2 of the Sciences Promotion Act.
- Restrictions to participation
  - A researcher who is subject to restriction under [the National Research Development Innovation Act] and the regulation of NRF
  - A researcher who has conducted a research with the funding from NRF but not submitted a final report by submission deadline

#### 5. Application Procedure

- NRF receives applications via its online project management system(e-RND, <https://ernd.nrf.re.kr>). Korean researchers should submit the application and fill out the necessary information onto the e-RND system.
- Application period : **(Fri) 5 Feb 2021, 09:00 ~ (Fri) 5 Mar 2021, 18:00**
- Required document : Project proposal(Korean/English), Invitation letter from partner researcher

#### 6. Evaluation and Selection Procedures

- Evaluation Process

Eligibility Check	Panel Review	Consultation with LIPI & Final Selection
Screening Qualifications (NRF)	The Evaluation Committee	Announcement of selected projects (NRF&LIPI)

- Evaluation Criteria

Evaluation Indicator	Score
Necessity of the visit and feasibility of research plans	50
Research competence of the visiting researcher	30
Expected effect of the visit(establishment of network and derivation of follow-up project)	20
Total	100

- Selection : Final selection will be made based on the evaluation result of NRF with consent from LIPI

## **7. Project Management**

- Projects will be managed based upon the regulation of NRF
- Final report should be submitted within a month after the visit

## **8. Call Timetable**

- 5 Feb-5 Mar 2021 : Application submission
  - Mar 2021 : Evaluation and Notification of the selected projects
  - Jun-Dec 2021 : Commencement of the project
- ※ The timetable may change upon the promotion process.

## **9. Contact Details**

- Ms. Ji-min KIM, Senior Researcher - Global Exchange Program Team, NRF  
(Tel. 02-3460-5724, [jmkim@nrf.re.kr](mailto:jmkim@nrf.re.kr))
- Ms. Mila Kencana - Indonesian Institute of Sciences  
(Tel. +66-2561-2445(ext 203), Fax. +66-2561-3049, [sasivimol.t@nrct.go.th](mailto:sasivimol.t@nrct.go.th))
